

2017 LEGISLATIVE PLATFORM

The COPC and its 52 member organizations advocate for policy and systems change to secure the health and well-being of all of Washington's children and families. In the upcoming state legislative session, we are taking lead on the following bills and budgetary concepts:

PHYSICAL EDUCATION ASSESSMENT

Increase accountability reporting of schools to provide quality physical education based on certain assessment measures including quantity of physical education offered; PE curriculum standards; PE teacher credentials; PE student assessment; PE education, equipment and facilities; substitutions, waivers, exemptions, and adaptations; and punishment.

HEALTHY KIDS, HEALTHY SCHOOLS GRANTS

Reappropriation for grants for school kitchen equipment, water bottle filling stations and PE equipment. The first round of grants was awarded in spring 2016. A total of \$17.9m was requested with only \$5m allocated, indicating strong interest from schools.
