Expanded learning opp. prgs.

S EL/K-12

Wilson

Neutral

Concerning expanded learning opportunity programs. Creates the expanded learning grant program to create demonstration projects within selected school districts of up to five years in length that support more time for instruction and opportunities for enrichment in order to combat summer learning loss and increase student achievement. Requires the office of the superintendent of public instruction to develop and administer the program. Authorizes the office of the superintendent of public instruction to award grants of up to one million five hundred dollars annually, through a competitive process, to school districts or state-tribal education compact schools if certain conditions are met. Makes an appropriation from the general fund to the office of the superintendent of public instruction for the purposes of this act, with a portion of the appropriation provided for staff to support the office of the superintendent of public instruction for the purposes of this act.

[SB 5188](#)
(HB
1163)

Concussions in youth sports

S EL/K-12

Carlyle

Neutral

Concerning concussions in youth sports. Requires the University of Washington medicine sports health and safety institute and the Harborview injury prevention and research center to collect and synthesize: (1) The most current scientific research, data, evidence-based best practices to improve concussion recognition, and to educate parents, teachers, coaches, and other supervising adults to intervene when a sports concussion is suspected; (2) The most current research and data on the impact of concussions to female youth athletes and youth athletes participating in other than high-impact contact sports; and (3) Materials for licensed health care providers regarding concussion care.
